Selections

Teams of 16 and shadows will be named after the trials on Monday 21 March.

Central Coast Oztag will only be sending one team in each division unless agreed upon by the Committee after the trials. Should two teams be sent in a particular division, the coach of the first team reserves the right to call up a player from the second team for the tournament. A shadow would then be brought into the second side.

Shadows

Shadows will be selected for each team and expected to attend training sessions. In the event that players don't attend training, the coaches can select from outside these shadow positions. Should shadows be attending training they will be selected if a position becomes available.

Selection Process

All other teams will be selected by the coach at an open training session/trial. At least one independent selector will be assigned for each Opens and 20s trial.

Should the coach have a relative in the age group, the selection of them will be at the sole discretion of an independent selector.

Any player who can not attend the trial for any reason must notify the coach PRIOR to the trial commencing.
